TIAC RITE:

The word catholic simply means universal. After the Protestant Reformation even the reformed churches were still considered to be catholic (with the small "c"). The Roman Catholic, the Eastern Orthodox as well as several others came to be known as Catholic (with the large "C"); each having their own Rite'. The American Independent Catholic Rite can trace its origins prior to the reformation and therefore establish a direct lineage to the Bishops of Rome and of the Eastern Orthodox church. The American Independent Catholic Rite is the name given to a specific manner of worship.
